Barrême (modified) exercise

Geometry of the folding above the unconformity

Data

- + poles to bedding (above u/c)
- + poles to bedding (below u/c)
- ■ pole to axial plane of minor fold
- ● minor fold axis
- • palaeocurrent line-of-flow

Interpretation

- ⊕ poles to limbs

simplified profile plane (075/80 NW)
section looking up-plunge
